CONCLUSION

- ▶ At HTNMAuminium [Pty]Ltd T/A Kings Glass & Alluminium we believe we can improve on the quality of manufacturing and service in the industry, by implementing procedures that will minimize many mistakes made by other firms. This includes delayed schedules and high staff turnover which leads to lower service quality. We ensure clients inputs and communication through out the life cycle of the project for clarity. Since every project is a custom job, we are able to advise and guide our clients throughout the process.
